

J O I N U S F O R

FRONTIERS IN ALZHEIMER'S AND AGING RESEARCH (FrAAR)

A National Institutes of Health (NIH) &
National Institute of Aging (NIA)
sponsored research education program

☒ 12 ☒ 17, 2019

9: 00 a.m. Theme: Alzheimer's Research (-219)

☒ , ☒ 13, 2019
9: 00 a.m. Theme: Biology of Aging

☒ , ☒ 14, 2019
9: 00 a.m. Theme: Models for Studying Aging

☒ , ☒ 15, 2019
10: 15 a.m. Theme: Models for Studying Aging (con't)/Neuro-
degeneration and Brain Aging

☒ , ☒ 16, 2019
9: 00 a.m. Theme: Brain Aging & Alzheimer's Research

☒ , ☒ 17, 2019
1: 00 p.m. Theme: Mentorship/Imposter Syndrome

Faculty, sta-
tudents, and
other members of
Atlanta Biomedical
community are
encouraged to
attend

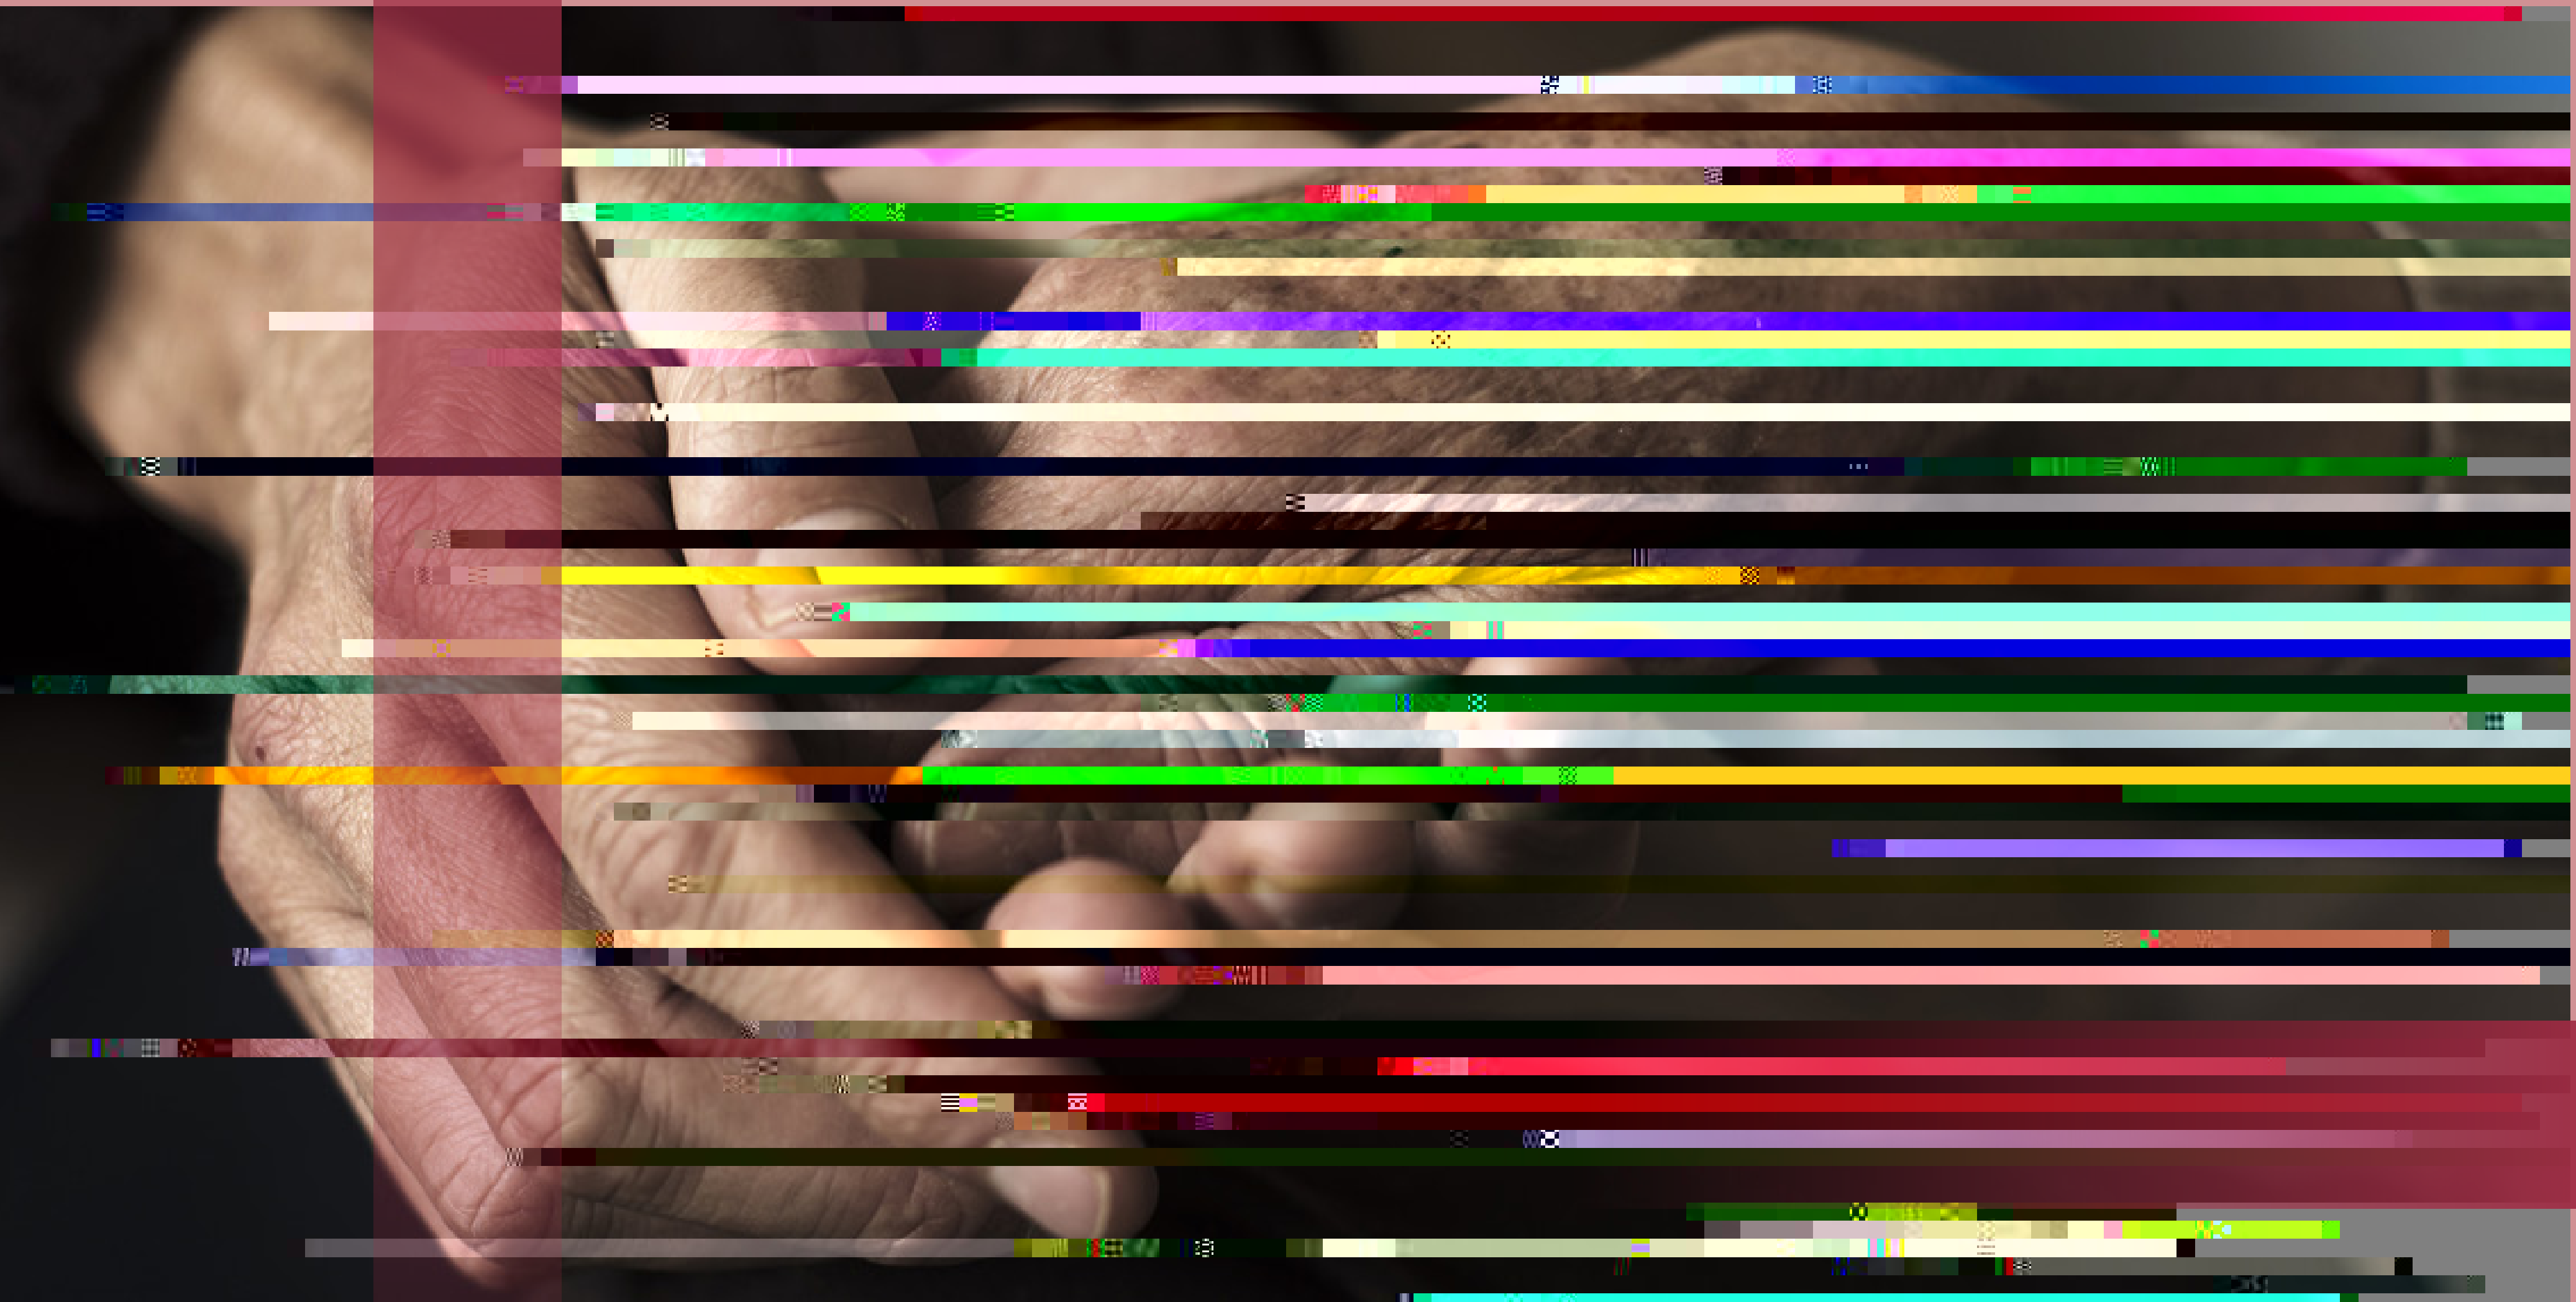

*In partnership with National Institutes of Health/National Institute on Aging Magee-Women's
Research Institute and Foundation and Xavier University of Louisiana*

FRONTIERS IN ALZHEIMER'S AND AGING RESEARCH (FrAAR)

A National Institutes of Health (NIH) &
National Institute of Aging (NIA)
sponsored research education program

Monday, August 14, 2019

Theme: Models for Studying Aging

9:00 AM - Registration

Mice as a model organism to study aging

Laura Niedernhofer, M.D., Ph.D. - University of Minnesota, Minneapolis

9:45 AM - Registration

African killifish as a model to identify new principles underlying vertebrate aging

Bérénice Benayoun, Ph.D. - University of Southern California, Los Angeles

10:30 AM - Registration

11:00 AM - Registration

Sea urchins as models for aging and regeneration research

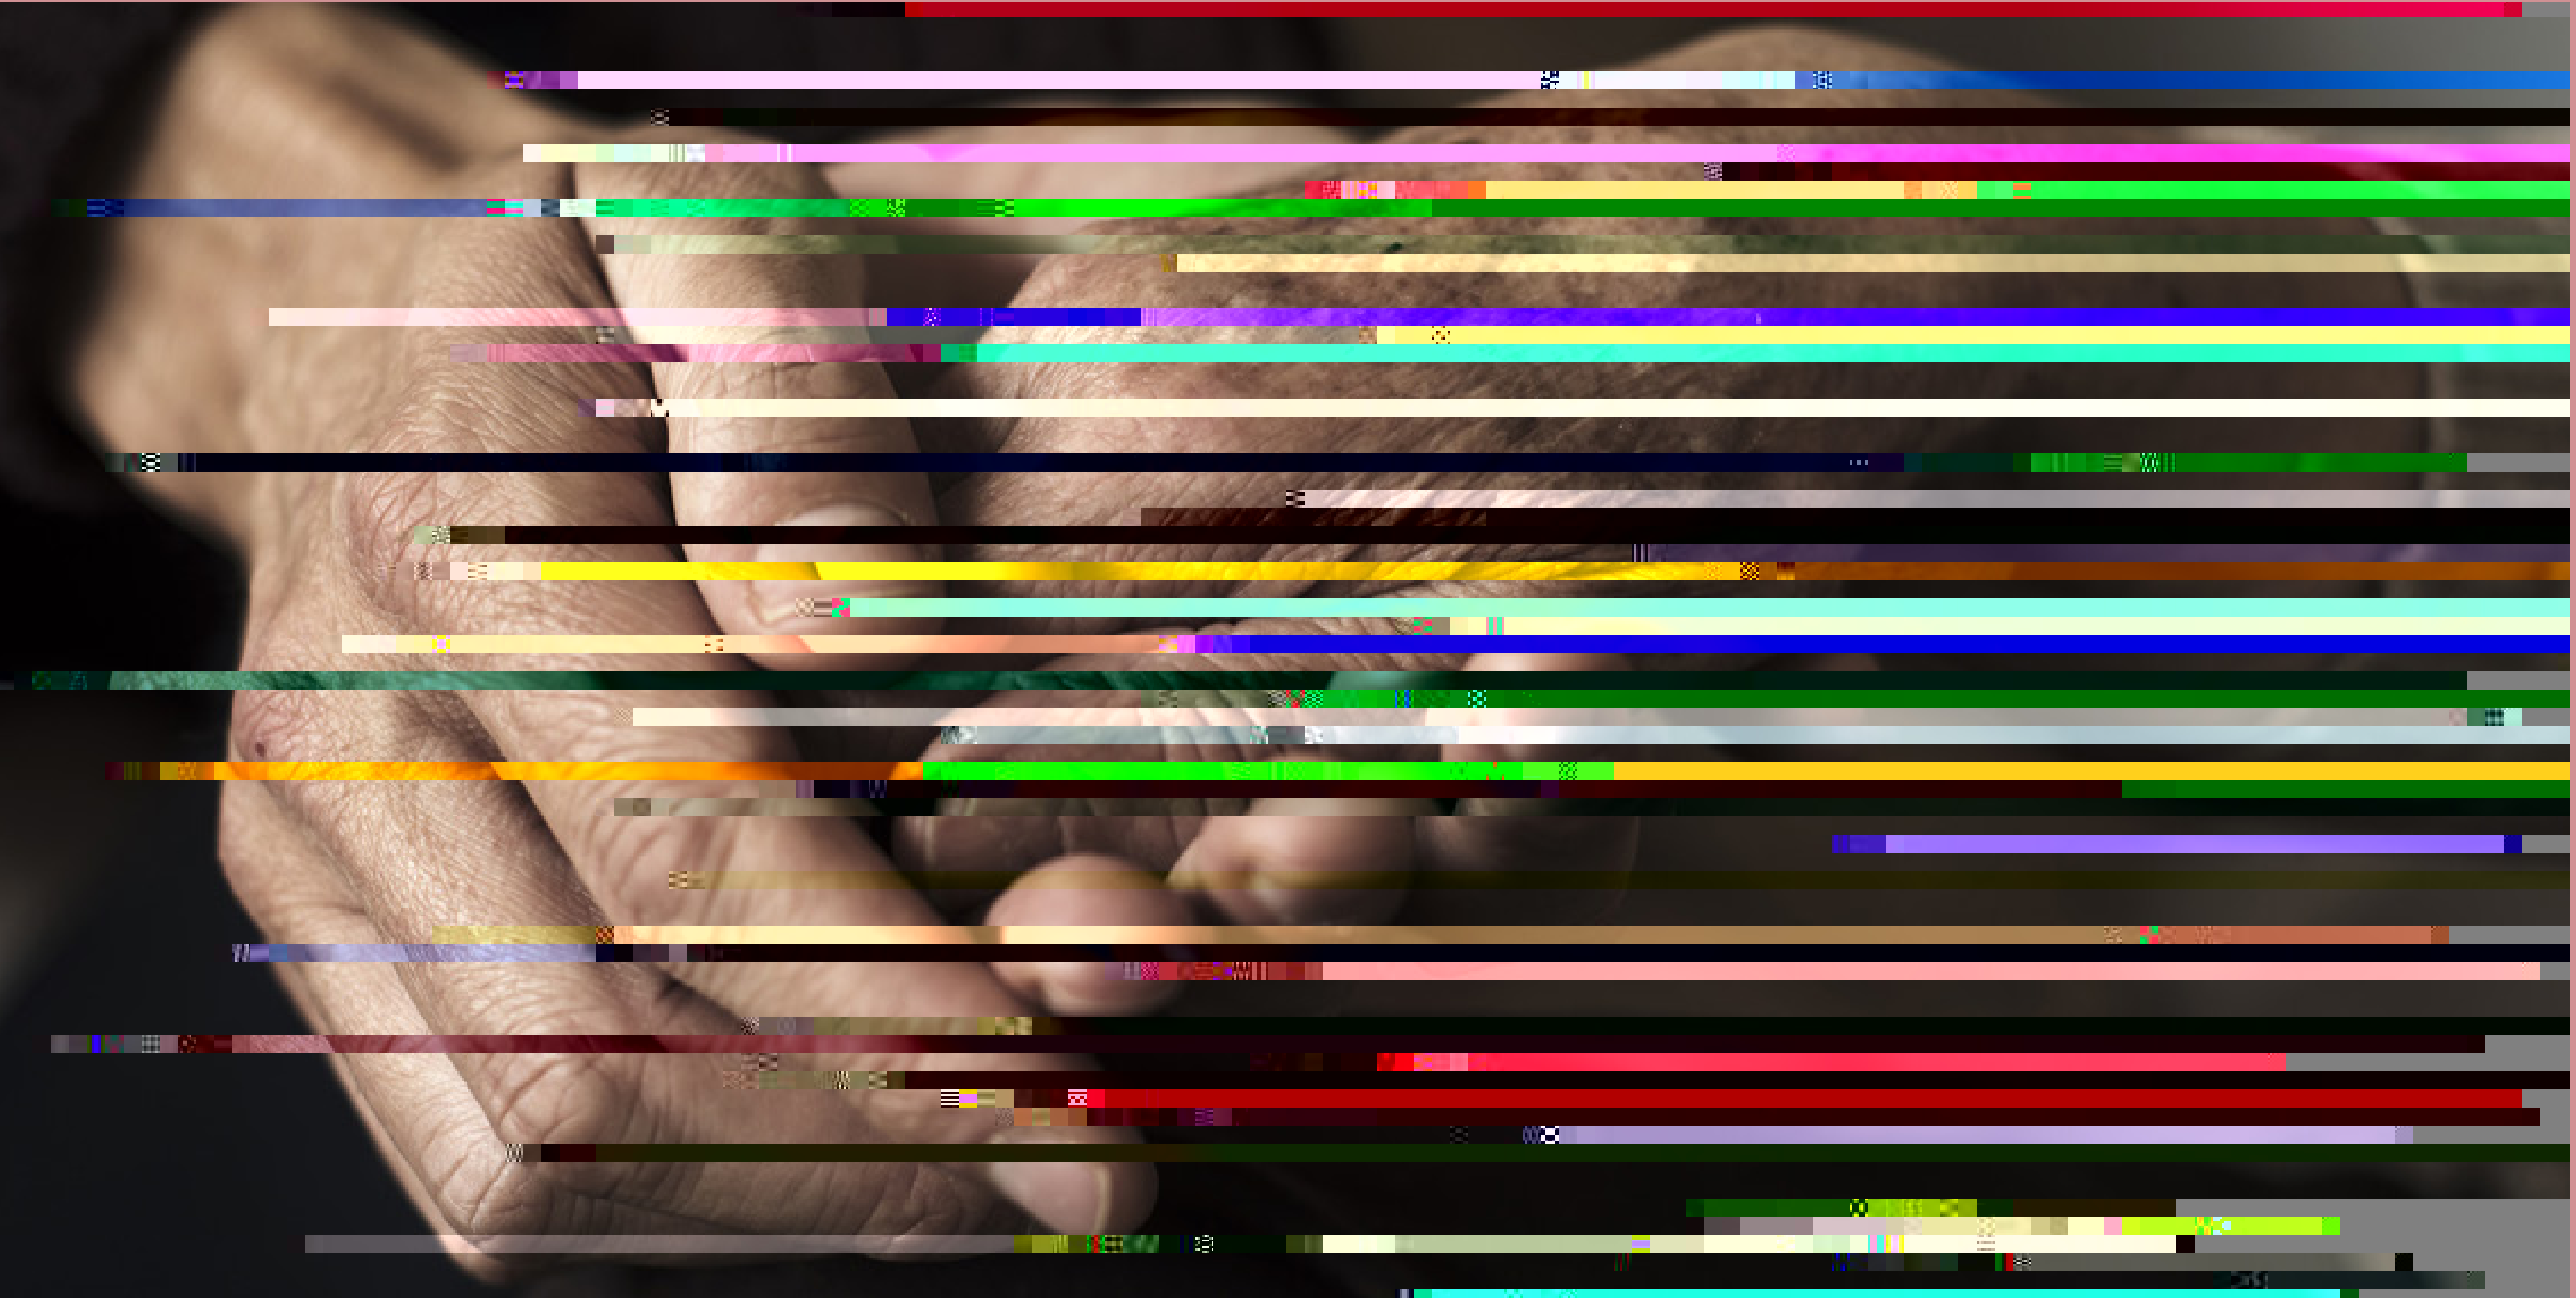

Andrea Bodnar, Ph.D. - Gloucester Marine Genomics Institute, Gloucester

12:00 PM - Lunch

In partnership with National Institutes of Health/National Institute on Aging Magee-Women's Research Institute and Foundation and Xavier University of Louisiana

Theme: Mentorship/Imposter Syndrome

Please note this is a closed session

1:00, :

Mentorship and sponsorship in the neurosciences and beyond
Nneka Ifejika, M.D., MPH - UT Southwestern Medical Center, Dallas

2:00, :

Imposter Syndrome

Jennifer Villwock, M.D. - University of Kansas Medical Center, Kansas City

Faculty, sta
students, and
other members of
Atlanta Biomedical
community are
encouraged to
attend
